

Vanille Kipferl

Mix almonds, sugar & flour. Add cubed butter & egg yolks. Knead rapidly. Put ball in fridge for ~ one hour... Pinch off small pieces, roll in palm, form worm, then curl into crescent - "kipferl". Place on baking sheet & bake in a medium-hot oven for ~ 7 mins. Do not let kipferl go brown. Slide onto plate covered with icing sugar. Coat all over. Enjoy with a glass of hot or cold red wine.
